**Suggested Cleanup Safety Tips**

-  Wear gloves and thick-soled, closed-toe shoes
-  Wear long pants and long-sleeved shirts
-  Wear safety vests or bright colors for roadside cleanups
-  Wear sunscreen and bug repellent
-  Drink plenty of fluids and keep “quick energy foods” on hand
-  Be aware of your surroundings and the potential hazards associated with them (e.g. passing cars, hazardous tree branches, poison ivy, etc.)
-  Use the “buddy system” and work in teams of two or three to maximize safety
-  Wash hands with soap after the cleanup
-  Bag litter according to directions and place in designated locations
-  Remember to take breaks when needed
-  Don't pick up hazardous materials such as hypodermic needles, sharp objects, old car batteries, condoms, animal carcasses or other unidentified, questionable objects.
-  Don't overstuff bags
-  Don't bring pets to event, as they may distract participants or even detract from the cleanup
-  Don't enter water if doing a waterway cleanup
-  Don't attempt to move large, heavy objects. Report illegal dumping, graffiti, tires and bulky items to the event coordinators
-  Have fun! Feel proud for volunteering your time to help better your community!
