## **Shooting Victim Arrested for Possession of Narcotics & Intent to Sell**

On Friday, February 3, 2023 at 8:59 P.M., officers from the Lake City Police Department were dispatched to W US Hwy 90 at NW Ridgewood Avenue to the report of a person shot. Upon arrival, officers located a victim suffering from two gunshot wounds. The victim, identified as Kristophfer Farmer, advised he was traveling west on W US Hwy 90 when a grey SUV pulled alongside of his vehicle and began shooting into the vehicle. Farmer was the sole occupant of the vehicle and was transported by EMS for his injuries.

At the time of the incident, a Glock 23 containing eighteen (18) rounds in the magazine and one (1) live round in the chamber was located between the driver side seat and the center console of Farmer's vehicle. The firearm was confiscated and placed into evidence.

Due to the nature of the shooting, Farmer's vehicle was impounded to complete the investigation. A search warrant was obtained and the vehicle was searched.

The search of the vehicle led to the discovery of the following narcotics and drug paraphernalia: a purple iPhone with no case, a cut straw, a large pill bottle containing two (2) plastic bags of a white powdery substance, a plastic bag containing a white crystal substance, a plastic bag containing ten (10) Acetaminophen and Oxycodone pills, two (2) crown royal bags containing several miscellaneous plastic bags, a grey eTalk flip phone, five (5) DNA swabs, and two (2) projectiles.

The discovered substances were tested and identified as Methamphetamine, Alpha-PVP, and Cocaine.

An arrest warrant was obtained and Farmer was arrested for possession of narcotics, possession of cocaine, possession of drugs, intent to sell, and possession of a firearm while in the commission of a felony.
